PATENT ASSIGNMENT

For \$10 and other good and valuable consideration, the receipt of which are hereby acknowledged, Steven M. Gann, 1685 Toyon Place, Corona, California 91720 USA, (Assignor) hereby assigns to John R. Wells, 6509 Ave. Manana, La Jolla, California 92037 USA (Assignee) all right, title, and interest, including the right to sue and recover for past infringement, throughout the world for the inventions disclosed in United States Patent Application No. 08/435,662 which was filed May 5, 1995, and is entitled "AUTOMATIC MULTIPLE-DECANTING CENTRIFUGE" and in and to said invention, said application and any and all patents (including extensions thereof) which may be granted on said invention or any part thereof, or on said application or any divisional, continuing, renewal, reissue, or other patent application, based in whole or in part thereon, or based upon said invention; such entire right, title and interest to be held and enjoyed by the Assignee the same as they would have been held and enjoyed by Assignor had this assignment and sale not been made.

Assignor agrees to execute all papers necessary in connection with the patents or applications and any continuing, divisional, reissue or corresponding applications thereof throughout the world and also to execute separate assignments in connection with such patents or applications as the Assignee may deem necessary or expedient.

Assignor agrees to execute all papers necessary in connection with any interference which may be declared concerning and said application or patent or continuation, division or reissue thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

Assignor agrees to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

Assignor agrees to perform all affirmative acts which may be necessary to obtain the grant of valid United States patents to the Assignee.

Assignor hereby authorizes and requests the Patent Office Officials throughout the world to issue any and all Letters Patent resulting from said applications to the said Assignee, as Assignee of the entire interest, and hereby covenants that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.
